Winter Dinner

Randy shared the following information regarding our Annual Winter Dinner.

Our dinner at Bluestone is being postponed until Covid restrictions permit a gathering of the size that normally participated. Randy will keep the club posted as information and dates become available.

Randy then gave the floor to Steve for a BBTB update.

Brits by the Bay is moving to Dejon Winery located at 5300 Hydes road in Hydes MD. The date is June 27th. You can pre-register now and assure you get our classy Triumph and Brits by the Bay t-shirt and gift bag, not to mention attending a great event put on by the club. Steve also mentioned that all 2020 local sponsors have agreed to return plus 1 new local sponsor with more to come, we are planning for a food truck, and looking into having "live music" vs. DJ.

New Business

We also discussed activities for the coming year. It seems we have several months where we just have our monthly meeting with no other club events going on. So, this year we are planning the following:

Month	Activity (beyond monthly meeting)
January	Winter Dinner
February	Individual activity: Winter Storage
March	Individual activity: Get em out of storage, make sure they are "runners"
April	TRAC TECH Session
May	Drive #1 (May Drive) 10:00am Shawan Rd Park and Ride
June	Brits By the Bay
July	Drive #2 (July Drive)
August	TRAC Picnic
September	Drive #3 (Sept Drive)
October	The Poker Run
November	Drive #4 (Nov Drive)
December	Individual activity: Winter Storage

The members in attendance discussed details regarding the newer activities listed above. With regard to the Tech Session those attending agreed that club members should determine a subject that meets our needs to keep them running. Jerry agreed to sending out an email and managing request that would be discussed and voted on at the March meeting. Jerry mentioned that two locations we are under considering and that he would work to finalize these and share them at the March meeting.

The discussion then led to having the Drives as casual as possible. Those who show up will determine where they would like to go... like a dairy, or brewery, some place for lunch, or just a drive through the countryside in "follow the leader" fashion. We decided to drive on a weekday vs. weekend due to local traffic congestion during weekends. We also decided we would start the drives at 10am as this will provide foodies with lunch destination options. The drive will occur on the 2nd Wednesday of the drive month.

The group then decided that the "May Drive" rendezvous location would be the Shawan Road Park and Ride lot located at the intersection of Interstate 83 and Shawan Rd in Hunt Valley MD, time is 10am with a 10:30 departure. The remaining drives starting locations would then be determined and distributed to the TRAC email at the preceding months meeting.

The meeting ended at approx. 7:30pm

For the club,
Jerry
