The webserver is considering getting rid of the email list and using a forum instead. You would not get email but would have to go onto a link from the website. Dick Martin suggested paying a monthly fee to a provider to sponsor access to our site and e-mail addresses for all if wanted, so we will not continue to have problems. Dick will send information to Chris.

MGOB is holding a rallye school in April, with info on participating in a rallye. It will be held at Odd Fellows Lodge in Glen Arm.

Look for information on Get the Dust off Rally on the MGOB website. It will be May 3rd, starting in Kingsville and ending in Fiore Winery in Jarrettsville.
