29 people have registered for TRAC'S August 23rd picnic. We need 30 people to get the reduced menu price, and more people have said they will send in their checks.

TRAC's September Drive will be to Chesapeake Beach on September 20th.

TRAC's Poker Run was a big success. The club made a profit of \$130 and had a fun day6.

It was suggested that we thank our sponsors by inviting them to the Winter Dinner or Picnic. It is late to get the word out to them about the picnic. We will decide what to do at a later date.

Joe Kaiser, a member of **MG Classics** makes clocks with car club logos. It was decided to order twenty four of them and to use them for gifts to sponsors and sell them at Brits By the Bay.

Don suggested sending an email out a week ahead of the monthly TRAC meeting to all members as a reminder. Karen Martin offered to send the monthly email and will include the directions to our new north side meeting place, Sanders Corner on Cromwell Bridge Rd.

Brits By the Bay: The band, food vendor and ice cream company are all lined up for the show. We need door prizes and workers. A sign up sheet was passed around for workers. There are many websites where BBTB is not listed. We will try contacting these sites to get the show on their sites. There are raffle tickets available for a basket of liquor; by 5; get 1 free.

There will be nominations for new officers at the September meeting.

TRA will hold a car show in Charlestown, WV in 2009. More information will be coming.

Ben Heller suggested that we remember to take our TRAC flag and banner to all events that we attend.

Bill Owens asked about getting baseball hats with TRAC's logo; they are available on our website.

VTR selected the TRAC to receive an award for an outstanding website. Kudos to Gary Klein.

The monthly raffle grossed \$35. Dick Martin won \$17.

The meeting was adjourned at 9 PM.
