

## **TRIUMPHS AROUND THE CHESAPEAKE**

**September 8, 2008 Minutes    22 attended**

Sanders Corner

President Steve Horant opened the meeting

Treasurer Don Cumberland gave the treasurers report: Our August balance was **\$5308.07**

Picnic: Thirty six people (including children) attended the August 23rd picnic at Burba Lake at Ft. Mead. The amount of food served by Beefalo Bob's was very disappointing, different from what we have come to expect because of the satisfaction we had in previous years with them. We will plan on a different food service next year and will check with the person that is providing the food for BBTB.

Six cars have signed up for the September 20th drive to Chesapeake Beach. Dinner will be at Smoky Joe's.

### **Brits By the Bay:**

Forty two cars are registered for Brits By the Bay.

Raffle tickets for BBTB are available. For every five sold, the seller gets one free.

We have several door prizes, but more are needed.

All shirts sponsors are in. "Stuffers" are needed to fill the bags for the show.

### **Regalia**

There have been requests for caps with the TRAC logos. British caps were discussed. TRAC members can call Steve Horant or Dick Martin if they are interested in TRAC regalia.

Steve said there are 18 TRAC clocks on hand, available for \$10.00

### **Nominations of officers:**

President: Karen Martin nominated Steve Horant, and Priscilla Klein nominated Gary Klein.

Vice President: John Boston was nominated and declined. Chris Horant was nominated and will consider it. James Meechie accepted.

It was suggested to have a President/Vice President ticket, but that is not in the TRAC bylaws.

Secretary: Karen Martin accepted a second term.

Treasurer: Don Cumberland accepted a second term.

Members at Large: Jerry Wojtowicz accepted his nomination. Erick Mephram declined.

Karen Martin will prepare ballots for the elections at the October meeting and will email the slate of officers to all of the membership.

### **Tech Sessions:**

Tech sessions on welding and gaslines are planned; dates will be announced.

The January tech session's date will be changed, as it would fall on New Year's weekend. The new Board of Directors can decide the date.

The meeting was adjourned at 7:55.
