

The March meeting was held on March 9th via Zoom. 15 Club members participated.

Randy called the meeting to order at 6:30

Dave Denison gave the Treasurer's Report. After paid bills were deducted and new memberships added we have a current balance of \$9123.00.

Randy reported that Membership Chair Kathy Hagert has informed him that we added three new members, bringing our current membership total to 74.

Under Old Business a spirited discussion was had regarding BBTB. Steve Horant, BBTB Chair reported that all is moving well at this point. A few more members (on the Zoom) volunteered to assist. Steve suggested we purchase another tent. It was decided that another 10x10 would be best. A possible issue with the Food Vendor arose and Steve offered to speak with the vendor and Dijon both. The Vendor is a regular at Dijon events.

Randy asked for input regarding the winter dinner. It was decided the best dates would be late April or the third weekend in May. This way there would be no conflicts with Easter, the Dust-Off Rally and Memorial Day. Randy will check with the restaurant for date availability.

A discussion ensued over when to restart actual Meetings at Pappa's Restaurant. It was decided to wait til May.

The scheduled April Tech Session will be April 17th. As the date gets closer Randy will send out a reminder email.

Jerry brought up our previous desire to go on short, mid-week drives. It was felt that as soon as the weather cooperates, we can schedule them.

The date for the Poker Run will be October 16th. Mark Alexander offered to Chair it with technical assistance from Past TRAC President and Rally Master Chris Horant.

The meeting was adjourned at 7:45.
