Total profit to the Club \$534.00
Average score for MGs was 182.9
Average score for TRAC was 172.9

TRAC reclaims the Lord Baltimore Cup!!!!

New Business:

The visit to the George Bunting Auto Museum will be on Sat. Dec 2nd. This activity has a very limited attendance number as set by Mr. Bunting. Sign up is strictly a first come, first serve basis. Anyone wishing to attend must email Jerry Wojtowicz at:

tbwojto@gmail.com

Because of the very limited number allowed I would offer as a courtesy to your fellow Club member that if you went last year, skip this year so as to allow someone who has not gone a opportunity to attend.

Also, if you sign up and are accepted and something happens that prevents you from attending, please be courteous and notify Jerry so he can contact someone on the 'wait list'.

The Winter Dinner will be held once again at Bluestone Restaurant. The date will be Friday, December 8. The Bluestone has not confirmed the menu as yet, thus we cannot confirm the price. Randy expects notification later this week and will send out a email with the cost (\$) per person. If you wish to attend, please mail your check to Dave Denison, Treasurer at:

2811 Salem Bottom Rd
Westminster, MD 21157

Checks must be rec'd by Dec 2nd as the restaurant requires a firm head count the week before the event.

After discussion a vote was taken regarding whether or not to refund monies paid in advance for any activity or to apply the money toward another activity. The vote was unanimous NOT to refund or reapply any PIA money.

Brits By the Bay has a new venue and new date. BBTB, our club All British Car Show and biggest revenue generator will now be:

Sunday, May 19, 2024

The venue will be Linganore Brewery in Mt. Airy, MD.

Tige Sheehan is the event Chairman and welcomes anyone who can offer assistance in any area of producing the show. Please contact Tige at any time or President Randy Fryer.

The meeting was adjourned at 8:03 pm.
